ECONECTA

Introduction

ECONecta promotes responsible tourism in Southern Mexico where you can explore **the beauty of untouched natural landscapes** and dive into **the rich cultural heritage of the local people**.

At Artesanos Sabios, not only will you learn how to create beautiful pieces of carving for your home, but you will also make a **positive impact on the environment**. Through the sustainable use of repurposed and **second-hand wood found in the jungle**, you'll be a part of the solution to preserve the natural beauty of Southern Mexico.

Let's support local consumption by promoting the artisanal creations of Artesanos Sabios!
